UWINDSOR LIVE

FUTURE STUDENT EDITION

June 27 / 11 AM - 2 PM EST

Sign-up
Now

uwindsor.ca/uwindsorlive

What is UWindsor Live?

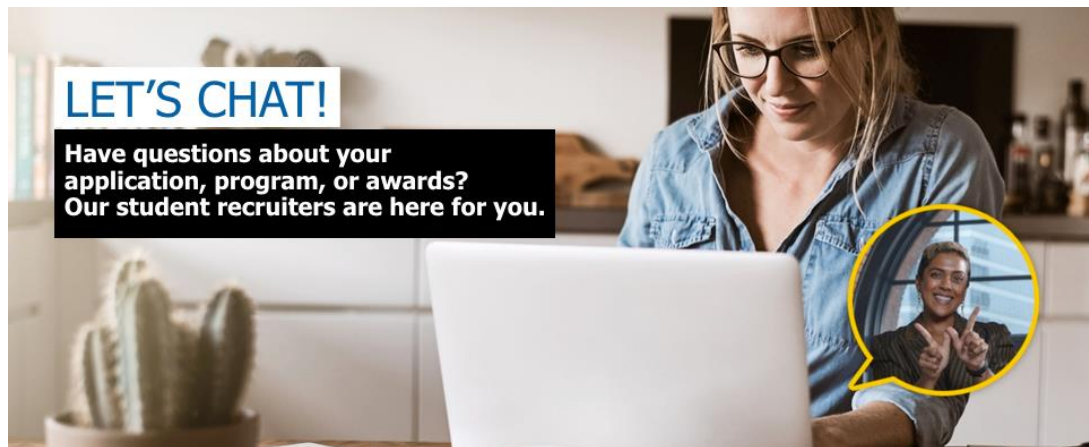

Our first online open day where future UWindsor students and their parents and guests can attend live webinars, and ask questions about awards, financial aid, student support, and academic advising. No travel needed, you can participate from wherever you are!

Why should you attend?

- Connect with faculty, staff and current students.
- Find out about scholarships, financial aid, residence and your next steps in preparing for Head Start Orientation.
- Learn about UWindsor's temporary move to online classes for the Fall 2020 term.
- Meet other UWindsor future students in the networking lounge and have some fun by scoring points for activities. Check out the live leaderboard to see how you're doing.

Updates

The header of the University of Windsor's "ask.UWindsor" website. It features the university's crest and logo on the left. A navigation bar at the top right includes links for "CURRENT STUDENTS", "ALUMNI + DONORS", "FACULTY + STAFF", "ASK.UWINDSOR", and a "SEARCH" button. Below this is a secondary navigation bar with "ABOUT", "ACADEMICS", "RESEARCH", "STUDENT LIFE", and "FUTURE STUDENTS" (highlighted in yellow). The main header area contains the "ask.UWindsor" logo, a search bar with "Find an answer", "Ask a question", and "Request info" options, and a "Log in or Sign up" button. At the bottom of the header, there are filters for "Find articles for" (set to "all students") and "all topics", followed by a search input field and a search button.

COVID-19 Future Students Update Domestic Edition (March 20, 2020)

COVID-19

Future Students Update – March 20, 2020
DOMESTIC STUDENT UPDATE

The University of Windsor is committed to ensuring a safe and healthy campus. As such, we wanted to provide you with additional information about how we are responding to the COVID-19 pandemic outbreak and your application to the University. This article is updated as the University of Windsor learns new information regarding the Novel Coronavirus. For more information visit our [main page](#).

CAN I SIGN UP FOR A CAMPUS TOUR?

Campus, residence, school and faculty tours operated through the Visitors Centre are currently suspended. Please check our [future student website](#) for updates about when our tours will resume. In the meantime, you can visit us [virtually](#).

Questions? Please feel free to [contact us](#).

UWinPrep – Quick Facts

- Designed for incoming first-year students - domestic, international, mature and transfer.
- Classes are open to all, including current UW students who are changing programs and want to review/refresh topic material before taking academic classes.
- While some classes do have recommended prerequisites, none are mandatory.
- Students can take as many of the classes as they like.
- Each class is \$350+hst, except Microsoft Excel \$175+hst, including all materials and a Certificate of Completion from University of Windsor Continuing Education
- Children/dependents of UWindsor Alumni, staff and current students are eligible for

UWinPrep – Quick Facts

- Build confidence before academic classes begin.
- Classes are offered on Blackboard, so students will have an introduction to the UWindsor LMS before academic classes begin.
- The short nature of each class is to provide a refresher, not to replace or re-teach high school classes or Virtual High School Ontario.
- Flexible learning environment and schedule.
- Provide a taste of what's to come in first-year classes.
- Qualified, professional instructors.

UWinPrep - Classes

Advanced Functions and Problem Solving - 40 hours

July 27-31 and August 4-8, 2020

Live instruction 4pm-5pm EST with approximately four-hours independent study per day consisting of pre-recorded lessons, assigned work, assessments and other activities.

Take this refresher if you are registered in the following UWindsor academic courses:

- Functions and Differential Calculus MATH-1760
- Differential Calculus MATH-1720.

UWindsor prep Advanced Functions & Problem Solving is ideal for:

- Students starting in the Faculty of Engineering, the Faculty of Science and majoring in Forensics, Economics, Environmental Science, Computer Science and Chemistry.
- Students required to take MATH-1760 or MATH-1720 as part of their degree.
- Any other student who wants to refresh their math skills.

Successful completion of MHF4U, Grade 12U Advanced Functions, is recommended.

UWinPrep - Classes

Physics - 30 hours

July 27-31 and August 4-8, 2020.

Live instruction 11:30am-12:30am EST with approximately three-hours independent study per day consisting of pre-recorded lessons, assigned work, assessments and other activities.

Take this refresher if you are registered in the following UWindsor academic courses:

- PHYS-1300 Introductory Physics for Life Sciences I or
- PHYS-1400 Introductory Physics I

UWindsor Prep Physics is ideal for:

- Students who are starting in the Faculty of Science and majoring in Physics, Biology, Forensics or Chemistry.
- Any other student who is required to take PHYS-1300 or PHYS-1400 as part of their degree program would also benefit from taking this refresher.
- Anyone interested in expanding their understanding of physics knowledge.

Successful completion of SPH4U, Grade 12 Physics and MHF4U, Grade 12U Advanced Functions, is recommended.

UWinPrep - Classes

Biology - 30 hours

August 10-21, 2020, 9:30am to 12:30pm, weekdays

Live instruction consisting of online lectures, virtual labs and investigations, assignments and case studies as well as formative and summative evaluations.

Take this refresher if you are registered in the following UWindsor academic courses:

- BIOL-1101 Cell Biology or
- BIOL-1111 Biological Diversity

UWindsor Prep Biology is ideal for:

- Students starting in the Faculty of Nursing, Faculty of Human Kinetics, Faculty of Science and majoring in Biology, Forensics, Economics, Environmental Science and Chemistry.
- Any other student who is required to take BIOL 1101 and BIOL 1111 as a part of their degree program would also benefit from taking this refresher.
- Learners interested in enhancing their knowledge of biology.

Successful completion of SBI4U, Grade 12U Biology, is recommended.

UWinPrep - Classes

Chemistry - 30 hours

August 17-28, 2020, 1:30pm to 4:30pm, weekdays

Online, live instruction supported by short assignments, quizzes and various learning activities.

Take this refresher if you are registered in the following UWindsor academic courses:

- CHEM-1100 General Chemistry I or
- CHEM-1103 Topics for General Chemistry

UWindsor Prep Chemistry is ideal for:

- Students starting in the Faculty of Science and majoring in Chemistry, Biochemistry, Biology, Forensics, Environmental Science and Physics.
- It is also ideal for students who are in Civil Engineering taking CHEM-1103.
- Any other student who is required to take CHEM-1100 or CHEM-1103 as a part of their degree program would also benefit from taking this refresher.

Successful completion of SCH4U, Grade 12U Chemistry, is recommended.

UWinPrep - Classes

Microsoft Excel for University - 15 hours

August 10-14, 2020, 1:30pm-4:30pm, weekdays

Online, live instruction will guide participants through activities and short assignments.

UWindsor Prep Microsoft Excel for University is open to all. It is specifically created for incoming and current students of the University of Windsor or students entering post-secondary education.

This course is recommended for:

- Students in the Odette School of Business
- Students in the Faculty of Engineering
- Students taking any research/statistics course
- Co-op Students
- ANYONE interested in improving their MS Excel knowledge and skills

Basic computer skills are required.
