Question # 1

How would you describe online learning?

Question # 2

What are some of the benefits of learning online?

Question # 3

As an instructor, what are some of the largest challenges that your students face when completing their studies online?

Question # 4

Can you share with us your personal experience learning online?

Question # 5

What would you say to an individual who believes online learning is not as impactful/enjoyable as in-person or face-to-face learning?

Question # 6

As a student how have your experiential learning opportunities adjusted to online learning?
